Champion the First 5 Years

Everyday brain building. One powerful voice for learning.

Your Voice Shapes the Future

You are your child's first and most important teacher. Learn simple, fun Vroom brain-building activities to support your child's development every day. Then, build your advocacy skills, share your experiences, and help shape positive change for children and families.

5 Easy Steps to Get Involved:

1. Learn & Grow: Discover quick, simple Vroom® tips to boost early brain development.

2. Join a Training: Attend a free workshop (online or in person) to build your advocacy skills. Complete a training and receive a gift card!

3. Send a Letter: Get step-by-step help writing directly to your local representative.

4. Join Children's Week: Make your voice count and advocate for children's issues that matter most to you. Dates: March 29–31, 2027.

5. Travel to Washington D.C. Attend the Child Care Aware of America conference and advocate directly to our federal leaders.
